Celebrate with the BCM Families Foundation!

Dear Families,

We are happy to celebrate with you **5 years** of BCM Families Foundation!
We also want to remind you that today, **20th of May**, is **International Blue Cone Monochromacy Awareness Day**.

We invite you to spread awareness on our rare condition.

We are rare but together we are strong! And together we can reach a **#cure4BCM!**

Please [donate](#) today and support the research and our projects!

Thank you,
BCMFF
