US Central Time - 08:30 am (Houston)
US Pacific Time - 06:30 am (Los Angeles)
UK - 02:30 pm (London)
Central European Time 3:30 pm (Rome, Paris,
Berlin)
Greece - 4:30pm (Athens)
Turkey - 4:30 pm (Istanbul)

Dear Families,

In view of the future clinical trial for BCM, on which we are working with a US-based biotechnological company, we will discuss how to get prepared for this important moment.

**Webinar Agenda:
Start at 9:30 am US Eastern Standard Time**

April 2020

09:30am – 09:45am

Dr. Renata Sarno, President and **Kay McCrary, Director** of the BCM Families Foundation

"Presentation of the BCM Families Foundation and its strategic projects toward a cure for BCM"

09:45am – 10:00am

Prof. Bernd Wissinger - Professor of Molecular Genetics of Sensory Systems – University of Tuebingen – Germany

"Blue Cone Monochromacy Causative Mutations and the crucial role of DNA Testing"

10:00am – 10:10am

Renata Sarno and **Daniela Marmantini** – BCM Patient Registry Manager

"The BCM Patient Registry and its role on clinical trials – How to enroll"

10:10am – 10:20am

John Cavitt and **Marylee Dilling** – BCM Families Foundation Directors

"Ending speech and farewell"

10:20am – 10:30am
